

A3+ Manual Laminator

Economy Model, 7 daylight, High Productivity

WL-FA5200SR-7 Strengthen Laminator

Technical Parameters

Model	WL-FA5200SR-7
Material Transferring Method	Manual
Control Method	PLC (Segmental Pressure)
Platen Size	420mmx520mm
Daylight	7 heating & 7 cooling
Temp. Range & Precision	0-200°C ±2°C
Pressure Range & Precision	0-6Mpa ±0.1Mpa
Heating Medium	Electric Heating
Cooling Medium	Water
Output	Approx. 6000 cards per hour
Power	380V,50-60HZ, 22KW
Machine Dimension	2300(L)×730(W)× 1800(H) mm
Gross Weight	2600 KGS

The actual product maybe not totally same as above photo,pls be subject to the actual product.
